Re: **Downtown Flood Study Informational Meeting**

Dear Property Owner:

The City of Northfield is holding an informational meeting to share and receive input from property owners impacted by recent flooding events of the Cannon River in 2010 and 2016. The City received a FEMA Grant to conduct a flood study to explore options for the City to be more flood resilient for future flooding events. You have received notice because your property is along or near the Cannon River and included in the flood study.

A presentation regarding the project will occur at the beginning of the meeting, and the remainder of the meeting will be an open-house setting where residents/property owners/businesses can share their experience and thoughts about downtown flooding. The meeting will be held:

When: Wednesday September 15, 2021

Time: 3:00 p.m. - 4:30 p.m.

Where: Northfield City Hall – Council Chamber
801 Washington St
Northfield, MN 55057

If you are unable to attend the meeting, the presentation will be posted on the City website project page and you can contact me at (507) 645-3006 or david.bennett@ci.northfield.mn.us. Lastly, property owners please notify any tenants in your buildings as they may not have received this notice.

Sincerely,
City of Northfield
