## A Call for Flood Relief Volunteers

With the continued rise of the Cannon River, businesses and homeowners are already preparing for flooding, whether it's immediate or sometime during this spring. Northfield Shares has established a new\* online system that allows:

1. Individuals and groups/teams to sign up for various flood relief volunteer opportunities. Many of these opportunities are currently place holders to gauge volunteer availability when a need arises. You will be asked to set up an account with your contact details.
2. Organizations (or individuals) NEEDING help should email details to [info@northfieldshares.org](mailto:info@northfieldshares.org).

The City of Northfield has sandbags and sand available for emergency/urgent flood or water encroachment issues. Please call the Streets Department at 507-645-3045, M-F 7 a.m. to 4 p.m. If the inquiry is after hours, please call the Police Non-Emergency line at 507-645-4475.

3. When flooding is imminent, volunteers will receive notification with more details on where and when they are needed when Northfield Shares has been notified of the need.

**CLICK HERE** to sign up as a volunteer.

The City urges residents to:

1. Please check personal devices and subscriptions used to receive weather alerts to ensure you have the ability to monitor such alerts.
2. If your home or business is in the river/flood zone, please make sure you have the materials, resources, and/or contacts necessary to enact protective measures if needed.
3. The City has posted numerous resources, guidelines, and contact information on the Northfield website home page, under "Emergency Preparedness Resources". [READ MORE](#)

**Thank you for your continued willingness to assist your Northfield neighbors.**

*\*As this is a new system, your patience is appreciated.*
