

TH 246 & Jefferson Parkway
Roundabout
Project Update

May 01, 2020

Project Update 5/01/2020

Small utility crews continued working on relocation's on the project and surrounding neighborhoods this week. This work is expected to be completed by late May or early June.

Next week, Century Link crews are schedule to be on-site to begin their relocation work. A two-day closure of Jefferson Parkway is tentatively scheduled for late in the week. A detour will be posted when this closure occurs. More information regarding this closure will be released later next week. In addition, Xcel Gas is also scheduled to be on-site late next week to begin their gas relocation's as well.

For additional information, Please see the Project Website:
